Partnering for Power Acting for Justice

MICAH (Memphis Interfaith Coalition for Action and Hope) is a coalition of community and faith-based organizations joining together to give a more powerful voice for issues of justice in our city. Our current platform concentrates on three pillar issues, housing and neighborhood livability, transit equity, and transformational justice. We organize and speak to our community and its leaders, always seeking to "do justice, love mercy, and walk humbly with our God." The purpose of MICAH is not to replace each congregation or community organization's efforts, but instead to amplify the voice and the impact by working together interdependently.
